

Remember the book "The Enemy Within"?

Well here it is a **Muslim**-indoctrinated President and a Congress, who **VOTES INTO LAW, BILLS, THAT NOBODY WROTE** **PASSED BY ELECTED IDIOTS WHO NEVER READ THEM!**

America:

You were WARNED!

Before OBama was elected, you were shown a picture of OBama when the National Anthem was being played. Almost everyone in the picture was either saluting, or had their hand over their hearts. The **ONLY EXCEPTION** was OBama.

If there ever was a showdown between Christianity and Islam, he was quoted as saying: **"I will stand with Islam"**! **NOTE**, as at this date, **April 8, 2009**, Obama has yet to have gone, to a church! That is **(11)** Sundays (I counted). What about his children? What is happening to them and any religion they may care to embrace?

During his first trip to Europe (approx **April 1, 2009**), as president, he met **Queen Elizabeth**. He never bowed to her, **NOR** did his wife curtsy to the queen. During the later stage of that trip he went also went to the Middle East and met with an Islamic king. **Obama accorded him a DEEEEEEP bow !**

The Whitehouse quickly explained, it was **NOT** a bow, but **"Obama bent low, because the king was so small"** (in stature).

I played the video back in SLOW-motion. It showed that the King, actually had to look DOWN ! **That is how low, Obama bowed!**

NOTE: If you tell a lie often enough, you will believe it yourself. Go to the archives, and see for yourself! This is **NOT** the 1st outright lie, uttered by Obama and his administration and it will **NOT** be the last.

Be prepared for more!

Oops! THEY TRIED AGAIN, THE NEXT DAY ... DO NOT LET YOUR EYES DECEIVE YOU.... “THAT WAS NOT A BOW.... THE KING ALWAYS LOOKS DOWN, WHEN MEETING SOMEONE ... HE IS SHY”!

Obama told the king **"WE DO NOT CONSIDER OURSELVES A CHRISTIAN NATION ... WE CONSIDER OURSELVES A NATION OF CITIZENS WHO ARE BOUND BY IDEALS AND A SET OF VALUES!** (Bet you didn't know that ... did you? ?

Later on, the U.S. Military (later herein), denied permission for a fly-in, because of its Christian nature!

DID OBAMA EVER HEAR OF THE PREAMBLES TO ALL THE STATES COMPRISING THE UNITED STATES OF AMERICA?

I guess they weren't taught this in the Muslim school where he started his education?

NOTE: I looked closely....I never saw one mention of Allah!

IT ISN'T BAD ENOUGH THAT OBAMA IS ANTI-AMERICAN, ANTI-CHRISTIAN ... it gets even worse! HE appointed Harry Knox, a Pope-basher, to the Faith-based Initiative Board. Mr. Knox, also denigrated, the Knights of Columbus!

Obama did visit our troops in Iraq also. He did compliment our troops on the outstanding job they did!

Later, addressing the **Turkish Government**, he announced, he had ordered the **closing** of **Guantanamo**, (the **enemies** of the fine troops, he had recently congratulated)! He neglected to say, if they were being released, **OR** if they were going to be kept somewhere else.

NOTE: None of the free press has ever asked Obama, or the Whitehouse **mis-information center** that question!

Remember the Clinton Administration demanding that Israel release some terrorists? One of them, thanked us properly, by piloting an airplane, full of people, into the World Trade Center!

More good news: Later, Obama was informed that **North Korea**, had **SUCCESSFULLY** launched an inter-continental missile, that could reach **Alaska**, even though **Hillary Clinton** threatened unsaid consequences! Then, with amazing timing, the WhiteHouse (**Gates**) announced, they were **cutting** the defense budget **1.4 Billion** Dollars!

President Reagan rolled over in his resting place!

Then, if that was **NOT enough**, they added **injury to insult**. They announced, that a squadron of ground-based interceptors, planned

to be located in **Alaska**, has been abandoned! We'll teach her... to run for President in **2012** and there aren't that many people in Alaska, anyway!!

Is the Obama administration and congress crazy!

Ladies & Gentlemen, **Americans All** ... It is time to talk about **impeaching Obama**, before he totally bankrupts and/or destroys our once beloved and wonderful country.

Obama is **NOT** only diminishing the concept and values we have known & cherished all our lives, (and in the history of the founding of our country), but he is **obviously trying to destroy our CHRISTIAN religious values!**

The **Christian deity** preaches “**love thy neighbor**”. The **Muslim duty** preaches “*It is your duty to kill the infidels*” AN **Infidel** IS defined as, anyone who does **NOT** practice Islam! **Americans, White, Black, Brown, Yellow... that ... means YOU ! ! ! !**

Citizens of the U. S. A. This is our country, NOT what Obama, (The Enemy Within), wants to do with it, ONLY GOD, (& OBAMA), KNOWS!

Coincidence? Obama took a vacation during the month of Ramadan, (the Muslim religious period).

Note: I hope that there will be a citizen-led groundswell, which announces there is an official demand, to **impeach Obama**.

In the meantime, in the **2010** elections, please do **NOT** vote Democratic in the next election, so we can restore the **(2)** party system. Our founding fathers wisely decreed this, which provides checks and balances. That guards against someone like Obama ever becoming president!

Obama has **already done too much damage** to our country. Let **ALL Americans**, who love what our country was ...**BEFORE OBAMA**, ... get together and **impeach** that United States of America destroyer!

Next unbelievable gem for President Obama **(8-3-2009)**

Bad press, including major mockery of the plan by comedian Jon Stewart, led to President Obama abandoning his proposal to require veterans to carry private health insurance to cover the estimated **\$540 million** annual cost to the federal government.

This by & large, was for treatment for injuries to military personnel, received during **their tours on active duty**.

(540 Million for our heroes, versus Billions of dollars to the corrupt organization "ACORN", [**who actively produced, ... real or imagined ... votes ... for Obama's election**).

The President admitted that he was puzzled by the magnitude of the opposition to his proposal. *"Look, it's an all volunteer force"*. Would you ever believe that a red-blooded American would ever dare say

something as terrible as that. That proves he is **NOT** an **American**, but a U.S. destroyer, in the president's clothing, a **closet Muslim!**

Obama complained. *"Nobody made these guys go to war. They had to have known and accepted the risks"*. What about the female wives, mothers and daughters, they were caught up also?

Carmin Cifaldi says, I thought **President Bush** ordered them/made them, go to war!

Obama continues, his **insane rhetoric**: *"Now they whine about bearing the costs of their choice? It doesn't compute. I thought these were people who were proud to sacrifice for their country,"*

Obama continued. *"I wasn't asking for blood, just money. With the country facing the worst financial crisis in its history, I'd have thought that the patriotic thing to do would be to try to help reduce the nation's deficit"*. **Obama doesn't want anyone spending our money but himself!**

(**Carmin Cifaldi** says: Where would they get the money? I do **NOT** remember **(1)** Millionaire, volunteering to go to war! Finally, showing his intelligence, Obama concludes: *I guess I underestimated the selfishness of some of my fellow Americans."*

I bet ALL the BLACK VETERANS, are glad that they voted for Obama. In 2008, 97% of all blacks voted for him! Do you think the 3% smelled a RAT! Do you think, that the 97% of the black veterans, will vote for him next time?

Germany 1938, the **Nazis** started the **“Hitler Youth”**. They encouraged their young members to report people’s, (including their **Mothers & Fathers**), remarks, criticizing the Nazi Government. These reports should be directed to the **GESTAPO** or the **Whitehouse** as the case may be!

August 2009. In a like action, in the **United States of America**, the **Obama** Administration urged **all** citizens ... to report **all** events ... smelling **“Fishy”**. They were told to report it to the **White House**.

They learned that one from **Adolph Hitler**. I guess that **“History Teaches”!** (**bad** things, as well as good things)!

Someone went to a lot of trouble compiling the following information, so I am including it, as I received it!

“Really...forget Democrat or Republican for a minute and think about this...

You Obama supporters, be honest now. Read the following and tell me how you would have reacted”:

“If George W. Bush had made a joke at the expense of the Special Olympics, would you have approved?

“If George W. Bush had given Gordon Brown a set of inexpensive and incorrectly formatted DVDs, when Gordon Brown had given him a thoughtful and historically significant gift, would you have approved?

“If George W. Bush had given the Queen of England an I Pod containing videos of his speeches, would you have thought this embarrassingly narcissistic and tacky”?

“If George W. Bush had bowed to the King of Saudi Arabia, would you have approved?

“If George W. Bush had visited Austria and made reference to the nonexistent “Austrian language”, would you have brushed it off as a minor slip?”

“If George W. Bush had filled his cabinet and circle of advisers with people who cannot seem to keep current on their income taxes, would you have approved?”

*“If George W. Bush had been so Spanish illiterate as to refer to **Cinco de Cuatro** in front of the Mexican ambassador when it was the fifth of May (**Cinco de Mayo**), and continued to flub it when he tried again, would you have winced in embarrassment?”*

*“If George W. Bush had **misspelled** the word **advice** would you have hammered him for it for years like Dan Quayle and **potato** as proof of what a dunce he is?”*

*“If George W. Bush had burned **9,000** gallons of jet fuel to go plant a single tree on Earth Day, would you have concluded he is a hypocrite?”*

“If George W. Bush’s administration had Okayed Air Force One flying low over millions of people followed by a jet fighter in downtown Manhattan causing widespread panic, would you have wondered whether they actually get what happened on 9-11?”

“If George W. Bush had been the first President to need a teleprompter installed to be able to get through a press conference, would you have laughed and said this is more proof of how inept he is on his own and is really controlled by smarter men behind the scenes?”

“If George W. Bush had failed to send relief aid to flood victims throughout the Midwest, with more people killed or made homeless than in New Orleans, would you want it made into a major ongoing political issue with claims of racism and incompetence?”

“If George W. Bush had ordered the firing of the CEO of a major corporation, even though he had NO constitutional authority to do so, would you have approved?”

“If George W. Bush had proposed to double the national debt, in one year, which had taken more than two centuries to accumulate, would you have approved?”

“If George W. Bush had then proposed to increase the debt again. 10 times over, within the next few years, would you have approved?”

“If George W. Bush had reduced your retirement plans holdings of GM stock by 90% and given the unions a majority stake in GM, would you have approved?”

“If George W. Bush had spent hundreds of thousands of dollars to take Laura Bush to a play in NYC, would you have approved?”

So, tell me again, what is it about Obama that makes him so brilliant and impressive? When the video prompter is NOT working properly, he becomes tongue-tied/dis-oriented!

Can't think of anything else? Don't worry. He's done all the above in just 5 months -- so be patient -- you've still got (3) years and (7) months to come up with an answer... 8-9-2009.

The **Enemy Within**, (Barack Obama), has just been joined by another **Enemy Within**, (a black man named **Eric Holder**), who Obama appointed **U.S. Attorney General**!

Why mention that Mr. Holder is black Because it is central to this posting. This is the type of **injustice** which can appear, in a **non-democracy**, (which is what the **U.S.** is enjoying in **2009**), ie: a **Democratic, Muslim-leaning** president, along with a herd of sheep, **Democratic, veto-proof**, Congress.

During the election, which saw Obama gain the presidency, (2) black men, in **Black Panther-logo** grab, were standing outside the polling station, in Philadelphia. One carried a night stick. **White voters** were **intimidated** by the (2) **menacing Black characters**.

Finally, the police came and took the one with the night stick away But the **damage was done!** Needless to say, a check by a reporter revealed there were fewer white voters, who registered at that District polling place.

Mr. Holder, the stickler to upholding the law, did nothing about the law-breaking duo, (which is part of his job). But it is part of his job to enforce the laws of interrogation, (by our people), of enemy Islamic terrorists.

Even though he is sworn to guard against violation of the most sacred law of a Democracy... (to allow every American Citizen the unrestricted right to vote, without intimidation or threat), he does nothing! Good thing the local police. are NOT run by Holder!

Now in August 2009, the Attorney General, has launched an investigation to see if members of the **CIA MIGHT have broken any laws**, he does recognize, in interrogating **ENEMY** prisoners. That is because the **CIA** could **NOT** possibly get the information, following panty-waist procedures,(unlike those, Muslim interrogators use!

Oh yes, it was revealed/proven, that such information, however gleaned from the enemy, **DID THWART** several plots. This undoubtedly **SAVED the lives** of people living in **America**.

NOTE: The Muslims **NEVER torture** any non-Muslims **because they just cut off their heads** and they photograph it to show their superiority..... Of course, when **they do address the head of the victim, the head refuses to answer!**

The point to be made from this latest discourse is that the Attorney General **REFUSES to prosecute law breakers**, (who were also photographed and did converse with reporters). At the same time, he now throws the might of the U.S. Government, into an **investigation of possible law-breaking**, by our own protectors, **WHO DID DEMONSTRABLY PROTECT US ... for THE PAST EIGHT (8) YEARS!**

Good Cop/Bad Cop ... Obama says he **will NOT attempt to do so**. The **Attorney General** says he **WILL (Aug 2009)**. Here is a case of an appointed bureaucrat, over-riding an elect official, (the President, no less).

Does the Attorney General serve at the pleasure of the President, or is he doing what the President would like to do? Except, it will hurt Obama's

chances of re-election? In political speech, that will be a case of **plausible deniability!**

One more note: Obama appoints a Latina to a **lifetime appointment** as a **U.S Supreme Court Justice**. She too, will also obey/apply the law as **SHE sees fit** (based on her experience as a **Latina, NOT** as our founding fathers wrote into the Constitution). She obviously is smarter than our founding fathers. If you don't believe me? ... Ask her!

What happened to the **Obama-described “Greatest country in the world”**? If America is so great, why is Obama changing it into a government- run country ... (? With himself as leader?), instead of a citizen-run one?

Next question, since all these anti-American things may be undone, by a different administration, how long will Obama want to remain in office?

The Constitution wisely says that the President may choose his cabinet... with the advise and consent of Congress.

Obama has now gotten around the wise proviso, by appointing **(20)** or more **“Czars”**, for different functions of American life!

These people, (comprising, **too many unsavory characters**), **answer to NO ONE, except Obama!.... NOT Senators, Congressmen, NOT even cabinet members!** They have **NOT** been elected by the people ... They are **NOT** answerable to the United States Congress, **NOR** where they were vetted by anyone, other than Obama!

Obama **now** controls major car companies, the salaries/bonuses their executives earn/deserve. He is **attempting** to control Health-care/ medicine. Another **Nazi-like move** is Obama looking into taxing the talk-radio stations out of business! (**80 %** are **NOT** in favor of the Obama Administration).

He is looking at **controlling** the **TV/cable industry/network stations**, like **every dictator in history** has ever done. **Are the newspapers next? Then Obama's final enemy is the Internet! The American people should fight all, especially this one ... tooth and nail!**

Historically, these actions are exactly like **other dictators**, the **world-over** have done/are **doing even NOW/today!**

The Congress of any party, with a **veto-proof majority**, which also has a president of that same party, is the closest the United States has come to a **Dictatorship til now? !**

Never before in the history of the United States, has the Government controlled so much, (looking for more), banking, private industry, soon to be healthcare? Thank GOD, Some Democrats are opposing the monstrous take-over appetite, demonstrated by Obama, (after only 6 months in office!

Next anti-American/Anti Christian move by the **Enemy Within Obama. The Pentagon (AKA Obama), denies permission, (first time in 42 years), for a fly-over/missing man formation, at a God & Country Rally. The stated reason? Because of its Christian Nature! Want any more proof, that OBAMA IS NOT A CHRISTIAN?**

This is scarier than anything written herein ...because the military is doing the will of the President, in all things. That is exactly NOT, what the framers of the Constitution, meant for Commander-in-chief

Their intent was that in times of war, or Federal Emergencies, the president could command the military. It certainly was NOT, for all things, including the religious or the political.... Because that would be tantamount to a ... DICTATORSHIP!!

NEWS FLASH: Obama reveals the secret of how he will become president, [reported by the LOS ANGELES TIMES],

(May 9, 2008). He will get votes from states that nobody knows of!

In a speech, he said (Quote) *“It is wonderful to be back in Oregon. Over the last 15 months, we’ve traveled to every corner of the United States. I’ve now been in 57 States? I think one left to go. Alaska and Hawaii, I was not allowed to go even though I wanted to visit, but my staff would not justify it.”* (Unquote)

That was the **1st time** he said this. No one told him, that this was incorrect. But, when Obama started to say it again in another speech, this time an aide cut him off! I guess Muslims schools do not teach mundane data ... like the United States **consists** of **50** states (**48** contiguous and **2** others, Hawaii and Alaska).

Carmin Cifaldi says: I am **now confused**, I don’t know if we have **(58)** or **(59)** states in the **United States of America**. I do **not** even know, when we acquired those extra **(8)** or **(9)** states. Further evidence of my ignorance, I confess **NOW .. I don’t even know those States’ names, (51) thru 58 ... or ... 59!**

In the total history of the United States, NO President had the power that Obama already has, (and looking for more). Already, without any additional power, this President “who doesn’t look like previous Presidents”, is NOT acting like them either.

Note: That **quotation, (encapsulated in Blue Italics)** was by *Obama*, when he was running for president! “**NOT** acting like them is authored by **Carmin**e Cifaldi”.

To all who read this This already ... is the closest the United States has EVER come, to having a Dictator.

America: **Wake up!** DON'T let this hi-jacking of our country by Obama, go any further (Sept. 14, 2009. For the love of God ...the love of our great country....bring back our two-party system.

Do NOT vote for **any Democrat**, until Congress has lost enough votes, to over-ride Muslim Obama's veto!

Carmine Cifaldi
