

Uranium Ore will be depleted in 150 years!

In **150 years**, or so, **Iran** will **NOT** be able to set up any Atomic Energy plants.....(because there will be **NO** Uranium ore left)! But, if you allow them to set up the first one, they **WILL** then possess, the technology to be able to **make**, all the nuclear bombs they want.

Want the full analysis,

See www.cifaldi.org

Or

E Mail me at

ccifaldi@tampabay.rr.com

I am listed in **Google**, **Clusty**, **Yahoo** and..... many other search engines!
Yours truly,

Carmine Cifaldi, Sarasota, Florida 34243
