

Honor the United States of America
NOT MUSLIM TERRORISTS

Apparently they think that putting hearts and butterflies on the new stamp will make most people **not realize** that the rest is Arabic and probably **not** something any Christian or Jew would want to support!

New Stamp - the second one!! USPS
New 44-Cent Stamp Celebrates a Muslim holiday.

President Obama has directed the United States Postal Service to REMEMBER and HONOR the EID MUSLIM holiday season with a new commemorative 44-Cent First Class Holiday Postage Stamp.

REMEMBER

to adamantly & vocally **BOYCOTT** this stamp, when you

are purchasing your stamps at the post office.

All you have to say is No thank you, I do not want that Muslim Stamp on my letters!

To use this stamp would be a slap in the face to all those AMERICANS who died at the hands of those whom this stamp honors.

Other instruments, revealed the auto-pilot was dis-engaged, both engines were throttled down. The plane went from 33,000 feet to 16,000 feet in 44 seconds. As if at 2nd thought, it climbed to 24,000 feet and again was put in a steep dive and

then plunged to everyones' death!

HAVE WE FORGOTTEN

August 7, 1998 the MUSLIM bombing of the American Embassies in Africa, *minutes apart*, in Nairobi, Kenya & Dar es Salaam Tanzania.

In the Nairobi, US Embassy bombing, (213) people, [(12) of which were Americans & wounded] (5,000) people. The reason why there were so many wounded, was because the embassy was located in a congested downtown area! The fact that there were some Muslims killed and so many wounded, was classified as *“collateral damage”!*

As early as Jan 1994, Bin Laden received surveillance reports and diagrams from which they ascertained they could get a vehicle, loaded with explosives, parked close enough, to do the job!

In the Tanzania bombing, (10) people were killed and (77) were wounded

HAVE WE FORGOTTEN

REMEMBER all the AMERICAN lives that were lost in ALL those vicious MUSLIM attacks!

HAVE WE FORGOTTEN ?

For those who cannot remember the past are condemned to repeat it George Santayana 1805 "The Life of Reason" Volume 1, 1905

Most Americans do ***NOT know history*** too well! Moslems have been attacking Christians, (non-Muslims), since written history!

Americans do **NOT** know that Moslems conquered Spain! Muslims attacked Ireland, took prisoners and then released them, only upon receiving ransom. When no one paid their ransom, the Irish lived their lives in chains!

Moslems were always invading other countries other lands from time immemorial, in the name of ALLAH, (Muhammad born 570).

Throughout the **16th** century to the **19th** century, **Muslim Pirates**, (operating, mainly in the Mediterranean), were involved in many attacks on European ships.

History records, that the Muslims who were operating in that region, were involved in piracy, slavery, cruelty and extortion (ransoms)! *However, Allah would forgive you, if you paid the Muslim pirates enough money!*

Have We Forgotten, as recently as April, **2009**, Muslim Pirates boarded an unarmed American ship, the **Maersk Alabama?** American U.S. Navy Seals, (they know what to do), put an end to that encounter, including killing the **(3)** Muslim Pirates!

America has fought wars with some countries who attacked us, once or twice. Later on, a compassionate U.S. carried on friendly relations with them.

The Moslems have attacked (without provocation), the U.S./West, everybody, (non-Muslim), **time & time again...** Starting back in 622, (first recorded act), when Muslims successfully attacked Meccan caravans at Badr. ...

In 630 Moslems captured Mecca.

In 633 A D, Moslem conquests (Futuhaf) began! They were designed to conquer all the people in the whole world and ***convert*** them to ***the religion of Islam or KILL them!***

In 634, Muslim armies take the Fertile Crescent (Egypt, Palestine, Syria, and Mesopotamia), North African Coast, parts of the Persian and Byzantine Empires.

In 710, Muslims attacked Spain from North Africa.

In 732, in the battle of Tours, Charles Martel (hammer) defeated the Muslim Army of 60,000 infantry and 400,000 horsemen...also killing their leader (Abdul Rahman Al Ghafiqi). This was the high water mark of the Moslems' furthest incursion into Europe!

Then it was time for the non-Muslims, to reverse the Muslims ill-gotten gains In 1099, Christian crusaders start by capturing Jerusalem, in the first of (10) Crusades, listed next.

The (10) Crusades

1096-1099

1144-1155

1187-1192

1202-1204

"Children's Crusade" [one led by a boy].....1217-1221

1218-1229

1248-1254

1270

The Ninth (& last) Crusade 1271- 1272

The "do-gooders", name-callers, (like bigot), say: Do not look on the actions of the few, to judge the whole race/religion!!

THAT'S FAIR!

I in turn say, read your History Books and you will find the answer to your scurrilous ACCUSATIONS/LANGUAGE !

All the following events are Islam's contribution to the world,... NOT the unsubstantiated hyperbole spouted by Obama!

Let Obama buy the Islamic stamps and put them on all his letters, where he is asking for donations to his re-election campaign That would be interesting!

All Americans who purchase/use these stamps, should apply for citizenship in a nice Muslim country, where they do not torture Christians... they only convert YOU .. OR ..BEHEAD YOU!

Is there no end to this stupidity? Both President Obummer and the Mayor of New York, (Bloopberg), have said it is O.K. to build a huge multi-hundreds of millions of Dollars Mosque, right where they destroyed our Two World Towers. The Muslims killed *3,000 people and injuring untold/uncounted people, (via the asbestos)!

****Do you remember? NOT all the people died INSIDE the twin Towers. Some died OUTSIDE the Twin Towers. They jumped out of the windows, to their death! The authorities KNOW who they are, but keep it hidden from you people, who have lost relatives there!***

One of them could have been a father, mother, brother, sister, or any other close relationship to YOU...(who are reading this)! I am sure you will want to buy some Muslim stamps, in memory of your lost relative!

Rutherford b. Hayes 1880 statement, regarding Morocco on the “necessity in accordance with the humane and enlightened spirit of the age, of putting an end to the persecutions, so prevalent in that country , of persons of a faith other than Moslem and especially of the Hebrew residents of Morocco”.

President Grover Cleveland’s 1896 comment on “the continuing massacre of Armenian Christians have been afflicted by continued reports of the wanton destruction of homes and the bloody butchery of men, women and children, made martyrs to their profession of Christian Faith”!

There were numerous cases of even Muslim girls, getting acid

thrown in their faces because they were attempting to go to school!

In the 17th century, one of the earliest Muslims (Egyptians), to come to the United States, was named Norsereddin. He settled in the Catskills, and was described as haughty, morose, unprincipled, cruel and dissipated. He was spurned by the Princess of an Indian Tribe, who had befriended him.

*NO PROBLEM Norsereddin **POISONED** HER!*

*NO PROBLEM The Indians burned Norsereddin alive!
I guess, he forgot **Sharia** is **NOT** a part of America!*

*After reading this letter, why would anyone want to be friendly with such a monstrous religious people? Why is Obummer cozying up to these animals. I do **NOT** say they are animals **History does!** But, I agree with history!*

*Mr. Obummer: I know you were first educated as a Muslim, but there is **NO** record of any Muslims contributing to early American art, literature, music or any other aspect of early American culture. Please let me know, if you find **one!***

Is Obummer & Bloopberg for REAL?

YES, THEY ARE THE WORST NIGHTMARE OF THE DECENT PEOPLE OF THE UNITED STATES! They are the Enemies Within. Worse yet, through our Constitution, they were duly elected, by law-abiding Americans. They are using the power of their offices, in many ways, to hurt the American way of life/people!

Obummer, on certain *RARE* occasions, *DOES TELL* the *TRUTH!* For instance, when he was first running for the presidency, he said: “*America is the greatest country in the world!*” Later on, continuing to and through his election, his message was: “*Let us change things!*” *???? WHY ???*

Hypothetical: From the WhiteHouse:

Countries of the world! Who wants to set up a building of your choice, in the spot where the Empire State building now sits. Mayor Bloopberg adds: It is situated right in the heart of New York City and is an ideal location.

Another NEWS RELEASE!

President Obummer says: The Sears Tower, in Chicago, is already spoken for. But hey, I am getting tired of the Statute of Liberty. That’s the thing we got from France ... you know... We really don’t need it anymore! I never liked France either. Any nation want to build a build a mosque.... on a nice island with a great view?

Honor the United States of America, NOT the Muslims! Just say: I don’t want to buy any stamps honoring any Muslim/ Muslim holiday today *EVER!*

Please read this letter AGAIN, before you vote, Nov 2, 2010. Bring back the checks and balances our forefathers so wisely wrote into OUR Constitution!

If there is only ONE thing you forward today ... let it be this one!
